~SCHEDULE AVAILABILITY WORKSHEET~
 ONE HOUR SOCIAL THINKING GROUPS

Schedule availability is gathered from each family prior to the start of groups and will be used to set the final session times and days for all students. Greater availability improves placement with the best possible partners for age, grade, level of ability and needs! Where possible, students will be kept with partners from continuing groups and schedules held constant over the course of the school year.

Please indicate your student's availability and preference as to day and time for each space. **Unmarked and ? marked spaces will be considered open and available for your child to attend group.**

Key: #1 = first choice, #2 = second choice, etc... through all choices. 0 = not available for grouping. Send US mail or scan and send via email attachment to info@socialstrides.com. **Due August 15th, 2011**
